

YMCA Camp Potawotami

2017 Camper Packing List

Dear Parents - This is a guide to help you pack for camp. Please feel free to make substitutions. Please remember your camper will be very active and camp is rough on clothes. We recommend that campers do not bring expensive clothing to camp.

Please **DO NOT** bring any of the following items: cell phones, iPods/MP3 players, hand-held video games, pocket knives, computers, iPads/tablets, or gum. These items will be confiscated by camp staff and returned at the end of the camp session, this takes time and energy away from the camp fun. Food brought to camp will be stored outside the cabin and shared with the entire cabin group. Possession of tobacco products including e-cigarettes, weapons, alcohol, and/or illegal drugs will result in immediate dismissal from camp.

We try our best to return any lost and found, please make sure your camper's name is on all items.
